

CONFIDENTIAL

1st Ind.

24 Sept. 1947

TO: Executive Officer, Contact Branch

1. All employees of CIA on either a permanent basis or on a continuing consultant basis must be security investigated by the FBI.

2. Inasmuch as the full investigation of 98 consultants will in all probability have to be fitted in with employment of consultants by ORE, of which this office has been notified, it is suggested that you pass this information to Executive for A & M in order that priorities may be established.

SHEFFIELD EDWARDS
Colonel, P. A.

Executive for Inspection and Security
